Built in Sialkot.
Trusted worldwide.

Trend Manufacturing Co. is a Sialkot, Pakistan based manufacturer and exporter of workwear and safety garments, with more than 24 years of experience serving importers, distributors, uniform suppliers and brands. We manufacture under your label with low minimum order quantities, so new ranges and smaller programmes are just as welcome as large contracts.

Our range covers work vests, work jackets, winter parkas, work trousers, bib pants and knitted tops (T-shirts, polos and henleys). Every style can be adapted to your colours, fabric, branding and packaging, and production follows audited social-compliance and quality-management standards.
